

WA YOUNG SALESIANS BULLETIN

Issue 4 (October 2016)

Message from the Coordinator

Hi everyone

Another year is almost over and yet another awesome Nanga Summer Camp is just around the corner. This year we are hoping to attract close to 100 campers and to kick things off, we are planning to hold two reunions – one geared towards north of the river and the other located south. Campers can choose to attend one OR both.

Registrations for our Nanga 2017 camp are also now open. Please note that the registration age allows ALL students beginning Year 7 in 2017 to take part.

Don't forget to check out our Facebook page and Website regularly for up to date information about what is happening with regard to events and latest news items.

I look forward to seeing you all soon at our next camp reunion to be held next month!

Yours in Christ
Graham Maher

WA YOUNG SALESIANS BULLETIN

Issue 4 (October 2016)

Welcome to our New Senior Campers!

Congratulations to the following campers from our 2016 summer camp who have been invited to become senior campers for our 2017 Summer Camps. These campers will be invited to our leadership camps where they will receive formation and monitored during our Nanga Summer Camp next year for leadership potential and possibly join the leadership team for 2018:

Daniel BOWEN, Jacinta DEVITT, Luke GIBSON, Keira MACDONALD, Victoria MOORE, Alexander NGUYEN and Megan TAYLOR

Nanga Camp 2017

Thinking of joining us in 2017? You may have already noticed our dates at the bottom of this bulletin. Our target number for next year's camp is 90. Help us reach our goal by telling your friends and inviting potential campers to our reunions so they can get the WAYS experience prior to coming on camp. As an incentive for bringing a friend to camp next year, we have launched

the **'Bring a Friend Challenge'** where you will receive \$20 off your registration for **every friend** you introduce to camp next year. Introduce one friend, get \$20 off – Introduce two friends and get \$40 off etc. The more you bring, the more you save!
